

4-SERIES BACK-OF-HOUSE WORK TABLES

Bringing durability to the commercial kitchen

You can choose from multiple pre-designed configurations with a handful of customizable features, such as shelving or enclosed cabinets, for the ideal back-of-house setup.

- Available in lengths between 36 and 144 inches, in 12-inch increments
- Can be constructed of 14- or 16-gauge stainless steel
- Adjustable leveling legs with bullet feet help ensure a solid work surface

Open Base Stainless Steel Worktable

- Choose from 24-, 30-, or 36-inch depths
- Optional adjustable stainless steel shelf for additional storage
- Optional four-inch stainless steel backsplash

Open Base Stainless Steel Worktable with Sink

- Choose from 30-, or 36-inch depths
- Optional stainless steel bottom shelf for additional storage
- 10-inch-deep single bay integrated welded sinks can be added and placed in left, right, or center position

Enclosed Base Stainless Steel Worktable

- Choose from 24-, 30-, or 36-inch depths
- Optional four-inch stainless steel backsplash
- Optional hinged doors

Vollrath offers options to customize your work table to fit almost any application. To customize your work table, contact your Vollrath representative or visit Vollrathfoodservice.com.
